Attach extra sheets if necessary.)

On Tuesday, October 23rd, Brittany Adkins was doing med Pass in the
section I was housed in. B Adkins was telling everyone to hurry up and get
their meds so she can get on with her day. If you weren't fast enough she said
you were not going to get your meds. When she came to me if I didn't hurry up
I would get skipped so I did not have a chance to fill my cup with water.
When I approached the cart the nurse and Brittany Adkins gave me
permission to go back to my cell to get water, with the cup of meds.
B. Adkins followed me into my cell rushing me to take my meds while I was

IV. Statement of Claim (continued):

I ~~filling~~ my cup up. Once I started to take my meds she took my cup from me not wanting me to get more water. She assaulted me first by taking the cup from me while I was drinking to finish taking my meds. As she walked out of my cell I followed her and pointed at her tell she was wrong for doing that and for assaulting me. All of this was now on camera. She told me to get out of her face even though I was not. Then she continued by punching me in the chest. I told her not to hit me again, so she hit me two more times. So to defend myself I grabbed her by her shirt ^{to hold her back} and told her to stop hitting me. She continued to try to assault me until

V. Relief

State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

I want financial compensation and the jail re-permanded for allowing her to assault me and get away with it. I would also like Brittan & Adkins fired before she can assault anyone else. She is out of control.

Statement of Claim (continued)

the other officers arrived and restrained her and moved her away from me. Officer Nappier was the officer who removed her and asked me to let go of her shirt. After that I tried to explain what happened, but they would not listen. They put me on two men and charged me for assault. When I put my grievance in Adin. Wood stated^{ed} that I stole someone else's meds and refused to give them back. I wrote out an appeal for the assault charge two weeks ago and gave it to Sergeant Brewster. I have not had any response. I have been told by corporals that I am not the first one she had done this to, and she has been talked to by every higher rank on her shift. He also stated she is out of control. Also during the hearing Brittan & Adkins testified that she did assault me inside my cell.

V. Relief (continued));
